A new partnership

The Kristian Alexander Group is pleased to announce that Sir Kristian Snell and his partner, Philippa Mitchell are to marry in a civil ceremony in June this year following a whirlwind relationship.

It is expected that Mr Ian Jolliffe of Sunseeker International will be the best man at the wedding, being held in Weymouth, Kristian's home town.

No other details are currently being released concerning the forthcoming wedding so that the event can remain a private affair.

Further press releases are expected nearer the event.
